Vol. :V :: January 2021 to December 2021
A News letter of Dikhowmukh College

Principal's Message

It gives me immense pleasure to welcome you at the doorstep of our newsletter 'Glimpses-2021'! A newsletter of any institution is the reflection of it, and 'Glimpses' too highlights our achievements by mirroring the year-long activities and events in a documentary format. Like previous years, the calendar year 2021 had been a year full of activities and achievements for our institution. The students, faculty and other stakeholders of our college have been in the forefront in their endeavour to make the campus a vibrant one. During the Covid-19 induced lockdown period too, the Dikhowmukh College ventured into the online as well as blended mode, without giving a break to its pursuit of excellence in academic and co-curricular activities. I offer my sincere thanks and gratitude to the editorial team of the Publication Cell of Dikhowmukh College for bringing out 'Glimpses' in all its grandeur.

Dr. Ranjit Kr. Boruah
Principal & Chairman
Dikhowmukh College

Editorial :-

The News Letter of an institution or organization reflects its diversified activities and tries to keep the memories vibrant for the days to come. It also tries to maintain the glorious legacy of the founders and persons associated with it. Dikhowmukh College, the only higher educational institute of Gaurisagar Development Block and one of the premier higher educational institutes of rural Assam has been trying to cater to the academic needs of the cross-section of rural youth in greater Dikhowmukh Area under Jokaichuk Mouza and eastern parts of Jorhat District and Majuli District since 1982. During 2021, amidst the second wave of lockdown also the Dikhowmukh College did not fall behind in its dedication to enlighten the students in both scholastic and non-scholastic activities. Apart from these regular activities, the college also shouldered its responsibility towards the neighboring communities in their hour of need, like previous years. The present volume of "Glimpses" will enlighten about the different activities of the college through which we are trying to fulfill the dreams of our founders. In this context, I would like to convey my love and regards to the editorial team and all the teaching and non-teaching staff of our college for their support in bringing out the newsletter. Last but not least, we would be lacking in our duty if we do not offer our sincere thanks to all our students and other stakeholders associated with various activities during the year.
