A NEWS LETTER
OF DIKHOWMUKH COLLEGE

From Principal's Desk:

Newsletter of an institution is the face of the institution. It reflects the institution's mission of achieving its avowed goals through pictorial representation of its major events and activities. It has been our sincere effort to compile these events and activities of our College in the format of a Newsletter for last several years. While doing so, our editors have put in lot of effort which must be acknowledged. This year we are going to bring out our latest volume which, I am sure, will provide you a glimpse of our College in a reader-friendly way. I express my sincere gratitude and best wishes to the team of Editors for making it possible.

Mr. Pabitra Kr. Dutta

Honourable CM, Sarbananda Sonowal paid a courtesy visit to and honoured Haren Bhuyan, our founder Principal and present academic adviser on 30th Sept. 2019

Editorial:

The Newsletter of an institution is a platform to showcase the dynamic goals of it which finally becomes a memoir and mirror of the affordable and quality deeds of physical, mental and intellectual health care of the concerned people. It not only creates desirable sense of belongingness among the employees, students and public but also clarifies accountability and loyalty of the institution in all fronts. With these very objectives in view, the Newsletter of Dikhowmukh College is also framed to highlight different occasional ventures to cope with demands of time. The college now cements its position by playing pivotal role in lucrative intellectual exercises and extension activities and duly proves its academic, cultural and moral excellence as well as the social accountability. It is hoped that in times to come, the architects here will place it in high pedestal of achievement and glory. By the way, it would be ungrateful if the editorial board does not duly acknowledge the cooperation from the superannuated Principal and teachers, existing employees, student community and the esteemed public in compiling this volume with significant events during the years 2018, 2019 and 2020.

Mrs. Rupjyoti Boruah
Dr. Pranjit Boruah
